

# SACHA CHAUVEL

— AI Software Engineering Intern —

## PROFIL

Innovative student known for high productivity and efficient task completion. Skilled in machine learning algorithms, natural language processing and data analysis technique. Excel in problem solving, critical thinking and adaptability, ensuring success in dynamic environment

## SKILLS

- Knowledgeable in AI generative tools
- Fast learner and versatile self-taught
- Good communication with teammate
- Proficiency in computer science with diverse languages (Python, C/C++, Golang) and paradigms (OOP, Procedural)
- Creative and problem solver

## EXPERIENCES

- **Order Picker**  
U Logistique | Carquefou, France  
07/2024 - 08/2024
  - Collaborated successfully with team members to achieve productivity goals
  - Performed order picking using trolley to fulfill U Super Market's package demands
- **Logistic Assistant**  
IA Intelligence Apprentie | Nantes, France  
08/2023 - 08/2023
  - Demonstrated effective communication skills and adept problem solving capabilities
  - Contributes to the setup of multiple facilities for the approaching year
- **Landscape Architect Observation Course**  
D'Ici là | Nantes, France  
04/2018 - 04/2018
  - Created detailed drawings of proposed landscape using CAD software.
  - Identified potential environmental problems such as pollution issues in the project area
  - Facilitated effective client correspondence

## PERSONNAL PROJECTS

- Created diverse games and train AI models to beat them
- Participated in multiple Game Jam
- Running two D&D campaigns as the Game Master

## CONTACT

- [sacha.chauvel@gmail.com](mailto:sacha.chauvel@gmail.com)
- +33 07 88 70 94 40
- 44119 Nantes, France

## EDUCATION

*Expected in 07/2026*

**BUT Informatique - Computer Science and Software development**  
Nantes University

- Continuing education in computing science, data science
- Participated in multiple conference about generative AI and large language model

*Received in 07/2023*

**Baccalaurate - Science and Technologie of Industries and durable development**

Lycée Gaspard Monge la Chauvinière - Nantes

- Graduate *cum laude*
- Information and digital system option course
- Eco-delegate, delegate of high school life council and student delegate at the administration council

## LANGUAGES

- **French:** Native language
- **English:** Upper intermediate (B2)
